*The debut novel – a time-travelling story of love and adventure – from the number one bestselling author of *How Not To Be a Boy* and star of *Peep Show**

WHAT IF THE MAN YOU LOST COULD BE FOUND AGAIN?

Carrie still sleeps with her husband's t-shirt, but it doesn't smell of Nick anymore. They share a birthday and were preparing for their joint 35th party when he died. They were together since the night they met in their college bar. She misses him every day.

One morning, Carrie wakes up back at college. She's eighteen years old. She remembers everything. And she realises that this is the week that she will meet Nick for the first time.

What if the man you lost could be found again? But then, what if he doesn't know he's lost? And what if he's still just a boy?

The debut novel from Robert Webb, *Come Again* is a time-travelling romance about living in the moment, love before death, and life before the internet.
